DIVISION: Army, 103 Infantry

THEATER OF OPERATION: European

SERVED: Dec 3, 1942 - Nov 30, 1945

HONORED BY: Self

BIOGRAPHY

I was a section leader, serving eleven months in the European Theater of Operations. I was in charge of a sixteen man section, which was comprised of two 81mm mortar crews, and directed the emplacement of the guns. I made observations of the terrain and established the observation post. In addition, I was responsible for the equipment of the men and the care of the guns. When the war ended, I was in Innsbruck, Austria.
